**BOARD OF DIRECTORS RESOLUTION
 ON MEMBERSHIP DUES STRUCTURE
 (Resolution #2)**

1. An invoice for the applicable dues will be sent to each member no later than 1 June of each year with payment due within forty-five (45) days. Notice of non-payment will be sent within fifteen (15) days following the due date and non-payment within thirty (30) days of such notice will constitute an automatic termination of membership. Memberships so terminated may be reinstated by payment of all monies due plus a new application fee.
2. New Members – dues prorated. Calculating from the date of acceptance of a new member by the Board of Directors, the Treasurer shall determine the amount of dues to be collected from said new member for the balance of the current year prorated to the nearest quarter, for the first three quarters, and shall promptly render a bill for the amount determined which shall be payable within forty-five days of the billing date. New members in the fourth quarter will be invoiced for the next full year’s dues, but will receive membership benefits immediately upon payment of dues.
3. Reporting of members to AFAA.
 - A. For new members reported by a Member Association and received between June 1 and August 31, AFAA will invoice the full dues amount for the category reported.
 - B. For new members reported by a Member Association and received between September 1 and November 30, AFAA will invoice 75% of the full dues amount for the category reported.
 - C. For new members reported by a Member Association and received between December 1 and February 28, AFAA will invoice 50% of the full dues amount for the category reported.
 - D. For new members reported by a Member Association and received between March 1 and May 31, AFAA will add the members to the membership roster and they will be included in the next fiscal year dues invoice.
4. Dues levels. Dues shall be assessed based on the following table.
